

UPCOMING CAAF COURSES

to help you succeed

CAAF offers a variety of training opportunities to help you excel as a performance auditor or internal auditor. Our courses are highly interactive, with a mix of instruction, discussion, exercises and videos, and are taught by our professional teaching associates, who are leaders in their field.

Have a look at our upcoming spring / summer virtual deliveries below. If you would like to request more information, express your interest, or request a dedicated course for your office, write to training@caaf-fcar.ca.

For full course descriptions, click  beside each course.
